

# Sofitel Sydney Wentworth takes great pleasure in inviting you to the opening of **Zodiac**, limited edition prints by *Damon Kowarsky* and *Kyoko Imazu*.

Damon Kowarsky and Kyoko Imazu met at Australian Print Workshop in 2008 and have worked together since 2010. Their work explores themes including nature, science, art and technology. The 12 prints in the series **Zodiac** were inspired by the animals of the Chinese Zodiac as seen at Sanjusangen-do Temple, Kyoto. Damon and Kyoko first visited Japan together in 2011, and again in 2013 with a *Facetnate!* Artist's Travel Grant from The Japan Foundation, Sydney.

**Zodiac** was produced at the Art Vault Mildura through the support of The Japan Foundation, Sydney.
